Peking Streets Run In Blood

(Copyright, The Associated Press.)

Chefoo, July 26 (Via Shanghai, August 2).—The latest reports from Peking were brought by disaffected officers of the Chinese army. They are considered reliable. The officers left Peking on July 15th. They say anarchy had reigned in Peking for months and the streets ran blood, the Chinese fighting among themselves.

Prince Tuan and General Tung Fu Shan appear to control the Government, according to the officers, and issued edicts, printed in the Gazette, exhorting the Chinese to kill all foreigners and native Christians. One officer says that there are sixteen thousand troops in Peking, including Tung's army and 8000 more at Yung Tsun.

The reports from Chinese sources are to the effect that all the legation forces were killed. Chinamen caught a messenger who was trying to leave the legations on July 16th, with the following message: "To any foreign commander: Make haste if you intend to save us. We can hold out but a few days."

ALL AMERICAN POSTAGE

Washington, July 27.—Postmaster General Smith has promulgated an important general order giving the postage rates between the United States and island possessions. It directs that all mail sent from the United States to the island of Guam, the Philippine archipelago, or Tutuila, including all adjacent islands of the Samoan group, which are in possession of the United States, or from all those to the United States or from one island to another, shall be subject to the United States domestic classification, conditions and rates of postage.

The term United States includes Porto Rico and Hawaii. All mails sent from the United States or its island possessions to Cuba or vice versa, will be subject to the Postal Union rates and conditions, except that the domestic rates, etc., will apply to mail sent by or addressed to persons in the United States military, naval or civil service in Cuba. If properly endorsed and marked and postage is fully prepaid.

Unsealed packages containing only gifts or souvenirs sent by persons in United States military, naval or civil service in Porto Rico, Guam, the Philippines or Cuba to members of their families in the United States and similar personal articles sent to such persons from the United States shall be subject only to domestic rates or regulations, if such packages do not exceed four pounds in weight and are properly endorsed and marked.
